Mission order :

One of our aircraft has been transferred to Paris Orly for a maintenance work to a MRO provider. The maintenance work is now terminated, your mission is to pick up the new aircraft, and convey them another one.

Go and transfert to Paris Orly the next aircraft, and go back to Roissy with the freshly overhauled aircraft.

Both aircraft must be the same type ; you will stay no more than 45 minutes at Orly between your two legs.
