Note. Also refer to IVAO NOTAM system available at <http://notams.ivao.aero> for other information on airspace restrictions and reservations and for other operationally significant information.

Item 2. Operational restrictions and mandatory procedures for Special Operations flights

The crossing of active restricted airspace can be achieved with permission from an active ATC unit responsible for the said restricted area, if safety and separation is maintained. If there is no ATC available, traffic not involved in SO activity shall not enter the airspace under any circumstance.

All non-division member who want to come fly in OAT in France must request authorization.

Or read our procedure on the French Division website: [LINK](#)
